Gentlemen. Charleston. S.C. Feby 5th: 1808.

I do myself the pleasure of enclosing you a bill of exchange, drawn by Messrs. R. Hazlehurst & Co., on Messrs. Isaac Hazlehurst & Sons, of your City, for Nine hundred and ninety four dollars, 20 Cents - It is drawn in my favor & endorsed by me payable to you, for the Charity you represent, without liability on my part. I Re=gretted to obtain a bill from the Branch Bank here, but could not - the house drawing is one of our most respectable, & I have no doubt the bill will be honored.

The dividends on the Shares in the Bank of South Carolina, made in January, at five dollars, & 50 Cents, on each Share, amounted to Eleven hundred dollars. out of this sum was deducted one hundred and five dollars 80 Cents, to pay an old claim of a Mr. Isaac Ford, on the late Mr Dobbins - Judge Johnson & myself, concurred in the Justice of paying the debt, which we hope will meet with your approbation - Be pleased to inform me of the safe arrival of the bill, & after al=lowing a reasonable time, I shall transmit the second of exchange, if I do not hear from You -

I am Gentlemen, very respectfully
Your most H. S.
Henry Wm. DeSaussure
